## WBS CHRISTMAS TREE

A photo is attached of our Christmas tree in situ at Much Wenlock church. It will stay there until Monday 11<sup>th</sup> December as part of Much Wenlock's annual Festival of Trees. The Festival forms a key part of Much Wenlock Christmas Fayre, that takes place tomorrow.

This project has been a great group effort. Thanks to Mr Colburn for donating wood off-cuts. Mrs Feenan for her very generous donation of Christmas baubles and decorations. Emily T for her home-made decorations. Oliver B for his decorating skills and Mrs Aston for her transportation assistance. Your help has been very much appreciated.

### **Awards achieved**

Well done to all the participants who have been working hard to complete their DofE Awards. If you have put evidence on eDofE it will be reviewed by Miss McCombie before your Award can be sent for verification. Once verified we will then print and distribute certificates. If you haven't heard anything about your Award please check your emails, as if we find any issues you will be emailed telling you how to rectify the problem.

### **Registration**

All new Bronze and Silver participants have now been processed. All new participants need to ensure that they have activated their eDofE accounts and have inputted their programme plans. DofE sends Welcome packs out via post to participants home addresses once the account is activated.

### **Expeditions: Bronze and Silver**

The deadline for signing up to do the expedition section with school is 7<sup>th</sup> January 2024. Please ensure the deposit is paid on school gateway, and the online form is completed.

### **Completing DofE Awards**

The expedition section is only one quarter of a DofE Award. In order to complete their Award, participants must also complete volunteering, physical activity and learning a skill. Each section must have a report written by an assessor at the end of timescale, which must then be uploaded to the participants eDofE account. If participants are having any problems with completing their Award, please contact Miss McCombie.

If a participant is struggling to find suitable activities for their programme, many ideas can be found at [www.dofe.org/dofewithadifference/activities](http://www.dofe.org/dofewithadifference/activities)

Please remember that program plans need to be entered into eDofE for approval before starting the activity. Once the required time has passed, assessors need to write an assessor report which needs to be uploaded as evidence to eDofE. This can be done at [www.dofe.org/assessor](http://www.dofe.org/assessor)

### **eDofE App**

Participants can access their eDofE account via the DofE App. Participants can now set their activities, record evidence and submit programmes for approval at any time, no matter where they are. The DofE App is currently available for participants to download on Android and iOS. You can download the App by going to the Google Play Store or Apple App Store and searching 'The Duke of Edinburgh's Award'.

### **Open expeditions**

If your child is unable to attend the school organised expeditions, then they can join an open expedition run by an Approved Activity Provider (AAP). School uses Chase Training Solutions as their AAP, and the dates of their open expeditions can be found on their website here

<https://chasetrainingsolutions.co.uk/dofe-expeditions/>

Other opportunities can be found by searching <https://www.dofe.org/opportunity-finder/>

## CAREERS INFORMATION

### Recent events

Year 10 Work Experience for Sept 2024, was launched this week by Mr Boak, Careers Leader. Parents have been emailed with the new procedure and an assembly was held to introduce the students to what the expectations will be, how to find a placement and the application process.

A STEM presentation for all students in Years 7 and 8 was given by Severn Trent Water last week. The students were treated to a talk about the science of sewage, which was extremely interesting for all involved!

William Brookes 6<sup>th</sup> Form College had a highly successful open evening on Wednesday 15<sup>th</sup> November, it was attended by many of our current Year 11s as well as lots of external students who came to find out about our excellent 6<sup>th</sup> form.

### Events coming up

During December Year 11 students will have the opportunity to attend our 6<sup>th</sup> Form to have a taster into what it is like to work in a college. Students will be able to opt into courses that they are interested in.

Our Year 11s will also have the chance to attend afternoon seminar sessions from more post-16 providers, such as Shrewsbury Colleges and Access Sport.

A group of 16 Year 11s will be visiting Grainger and Worrall, the engineering company based in Bridgnorth who make parts for F1 cars, amongst other things. The day will be a great chance for them to find out more about apprenticeships and careers in the engineering sector.
