HARRY POTTER ART TRIP

On Monday 9th October, we took our William Brookes muggles to Warner Bros Studio in Watford, London to visit Harry Potter Studios. 50 year 9 students took part in the Art trip where they had a lesson backstage that focused on the creative jobs within the film industry, and how Art and Design relates to the workplace. This gave students the opportunity to see props and costumes that were in the Harry Potter film but are not included in the regular tour. Following this, students walked through the tour experiencing famous scenes such as platform 9 3/4, diagonally and Hagrid's hut. One of our students whose birthday it was had the fantastic opportunity to open the doors to the great hall to start the tour. A fantastic day had by all.

Awards achieved

Well done to all the participants who have been working hard to complete their DofE Awards over the summer holidays. If you have put evidence on eDofE it will be reviewed by Miss McCombie before your Award can be sent for verification. Once verified we will then print and distribute certificates. If you haven't heard anything about your Award please check your emails, as if we find any issues you will be emailed telling you how to rectify the problem.

Registration

All new Bronze and Silver participants have now been processed. All new participants need to ensure that they have activated their eDofE accounts and have inputted their programme plans. DofE sends Welcome packs out via post to participants home addresses once the account is activated.

Registration for Year 12 students to start their Gold Award is now open, the deadline is 18th October. Information has been emailed to students and parents.

Completing DofE Awards

Last term, lots of participants completed their Expedition section. However, the expedition section is only one quarter of a DofE Award. In order to complete their Award, participants must also complete volunteering, physical activity and learning a skill. Each section must have a report written by an assessor at the end of timescale, which must then be uploaded to the participants eDofE account. If participants are having any problems with completing their Award, please contact Miss McCombie.

If a participant is struggling to find suitable activities for their programme, many ideas can be found at www.dofe.org/dofewithadifference/activities

Please remember that program plans need to be entered into eDofE for approval before starting the activity. Once the required time has passed, assessors need to write an assessor report which needs to be uploaded as evidence to eDofE. This can be done at www.dofe.org/assessor

eDofE App

Participants can access their eDofE account via the DofE App. Participants can now set their activities, record evidence and submit programmes for approval at any time, no matter where they are. The DofE App is currently available for participants to download on Android and iOS. You can download the App by going to the Google Play Store or Apple App Store and searching 'The Duke of Edinburgh's Award'.

Open expeditions

If your child is unable to attend the school organised expeditions, then they can join an open expedition run by an Approved Activity Provider (AAP). School uses Chase Training Solutions as their AAP, and the dates of their open expeditions can be found on their website here
