WBS SCHOOL NEEDS YOU!

William Brookes School is seeking to appoint a number of Exam Invigilators, including Lead Invigilators, who will be employed on a part-time, casual basis to assist in the smooth running of both internal and public examinations, including GCSE/A Level examinations as necessary throughout the year, but particularly in May and June. Mock exams also run throughout the year. We are a close-knit, friendly and supportive team and hours/days can fit around your availability.

There are different roles available: invigilators who work as part of the support team; Lead Invigilators who are willing to take on the greater responsibility of running large and small exam halls/rooms; and particularly anyone from a school/TA background who would be willing to sometimes take on the responsibility of reading/scribing for students with special educational needs.

Duties include supervising students taking examinations, preparing exam rooms and distributing and collecting examination papers. Lead invigilators are responsible for taking charge of examination rooms and instructing small teams of invigilators.

You will need to work professionally, as part of a team which ensures that strict regulations are followed in a supportive environment for students taking formal examinations.

Successful applicants must be able to work flexibly, sometimes at short notice. They should be highly organised, vigilant and reliable, have excellent attention to detail and the ability to remain calm under pressure. Full training will be given. In line with Keeping Children Safe in Education, online checks may be carried out on shortlisted candidates.

Expeditions: Bronze and Silver

The deadline for signing up to do the expedition section with school was 7th January 2024 and has now closed.

There will be a parents information session on Teams before the expedition training in March. Details will be emailed out next week.

Awards achieved

Well done to all the participants who have been working hard to complete their DofE Awards. If you have put evidence on eDofE it will be reviewed by Miss McCombie before your Award can be sent for verification. Once verified we will then print and distribute certificates. If you haven't heard anything about your Award please check your emails, as if we find any issues you will be emailed telling you how to rectify the problem.

Completing DofE Awards

The expedition section is only one quarter of a DofE Award. In order to complete their Award, participants must also complete volunteering, physical activity and learning a skill. Each section must have a report written by an assessor at the end of timescale, which must then be uploaded to the participants eDofE account. If participants are having any problems with completing their Award, please contact Miss McCombie.

If a participant is struggling to find suitable activities for their programme, many ideas can be found at www.dofe.org/dofewithadifference/activities

Please remember that program plans need to be entered into eDofE for approval before starting the activity. Once the required time has passed, assessors need to write an assessor report which needs to be uploaded as evidence to eDofE. This can be done at www.dofe.org/assessor

eDofE App

Participants can access their eDofE account via the DofE App. Participants can now set their activities, record evidence and submit programmes for approval at any time, no matter where they are. The DofE App is currently available for participants to download on Android and iOS. You can download the App by going to the Google Play Store or Apple App Store and searching 'The Duke of Edinburgh's Award'.

Open expeditions

If your child is unable to attend the school organised expeditions, then they can join an open expedition run by an Approved Activity Provider (AAP). School uses Chase Training Solutions as their AAP, and the dates of their open expeditions can be found on their website here
