### SPORTING EXCELLENCE AT WBS

Yesterday the Y8 girls went to the County Netball tournament and were absolutely tremendous and won the tournament! To put this into perspective I have had a few teams be runners up and many teams have come third but I have never had a team win the whole tournament and I have been teaching a very long time!!!! State schools don't usually win these tournaments so this is really special. Congratulations to all of the girls.

### Awards achieved

Well done to all the participants who have been working hard to complete their DofE Awards. If you have put evidence on eDofE it will be reviewed by Miss McCombie before your Award can be sent for verification. Once verified we will then print and distribute certificates. If you haven't heard anything about your Award please check your emails, as if we find any issues you will be emailed telling you how to rectify the problem.

### Completing DofE Awards

The expedition section is only one quarter of a DofE Award. In order to complete their Award, participants must also complete volunteering, physical activity and learning a skill. Each section must have a report written by an assessor at the end of timescale, which must then be uploaded to the participants eDofE account. If participants are having any problems with completing their Award, please contact Miss McCombie.

If a participant is struggling to find suitable activities for their programme, many ideas can be found at [www.dofe.org/dofewithadifference/activities](http://www.dofe.org/dofewithadifference/activities)

Please remember that program plans need to be entered into eDofE for approval before starting the activity. Once the required time has passed, assessors need to write an assessor report which needs to be uploaded as evidence to eDofE. This can be done at [www.dofe.org/assessor](http://www.dofe.org/assessor)

### eDofE App

Participants can access their eDofE account via the DofE App. Participants can now set their activities, record evidence and submit programmes for approval at any time, no matter where they are. The DofE App is currently available for participants to download on Android and iOS. You can download the App by going to the Google Play Store or Apple App Store and searching 'The Duke of Edinburgh's Award'.

### Open expeditions

If your child is unable to attend the school organised expeditions, then they can join an open expedition run by an Approved Activity Provider (AAP). School uses Chase Training Solutions as their AAP, and the dates of their open expeditions can be found on their website here <https://chasetrainingsolutions.co.uk/dofe-expeditions/>

Other opportunities can be found by searching <https://www.dofe.org/opportunity-finder/>
